

Little Melton Pre-School Nursery

Parents Evaluation Questionnaire

Spring 2018

RESULTS

The nursery is very keen to learn your views, and ask that you take a few minutes to answer the questions on this form. The answers you provide will allow the nursery to effectively reflect on its performance, and help make any changes that may be useful. Please answer each question by circling the response you think most reflects your feelings or opinion on each question. There is space at the end of each section to make any further comments you would like to include.

You do not need to identify yourself on the form, but we would find it useful if you could complete the general questions about your child. This will enable us to greater understand any weaknesses or strengths that may be detailed.

We really appreciate your help in this matter, and value everyone's views.

In an ideal world it would be good for the pre-school to have their own designated room on the primary school site. It would be good to be able to offer school hours 9-3.15 for children a year before starting school in order to prepare them in the best way possible

It would be handy if the pre-school was open longer but I know that this not possible so we are happy to accept the hours as they are.

Security and safeguarding have the excellent balance of being safe and secure for our chil without the need to take more extreme measures that could negatively influence the ethos of the setting
I cant praise the staff enough. You all do a great job under a lot of pressure and I wouldn't dream of not sending my child to the pre-school. Looking after children is not easy but you all have great relationships with them. I always feel confident leaving my child with the girls.

My child's speech eas identified by the nursery as a concern and area to develop. We were pleased that this was identified and steps were taken/advice given on how we can ensure my child progresses with this. Tapestry is excellent and perfect for the setting

Wed be keen to know what the development aspects of the nursery are but couldn't find this on the website. Overall the website is ideal for the setting although photos of the staff would help new starters if they were on the website, in addition to the notice board.
